Re: Con-way Freight, Inc.
Our File No. 21705.20

Dear Mr. Reich and Ms. Steiner:

Thank you for speaking to me last week about Con-way Freight's response to EPA's letter request for information dated October 1, 2014 ("Second Request").

As we discussed, there are difficulties collecting all of the information for a complete response within the time frame requested in the Second Request. So instead, EPA has confirmed that we may submit a partial response by November 20, 2014. As we discussed, Con-way Freight will provide responses to Questions 1-7 and Question 14 of the Second Request and an update to Question 1 of the initial EPA letter requesting information dated May 7, 2014. We will provide a response by 4:00 p.m. on November 20th via email, and will send a hard copy of the response via U.S. Mail. Where the information provided is in a spreadsheet format, we will include in our email a copy of the spreadsheet(s) in electronic format.

We appreciate EPA's willingness to work with us on the due dates for this response. As I have explained, Con-way is working diligently to respond.

Very truly yours,

Catherine W. Johnson
